Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

Enclosed for filing in the above-identified application is a PTO/SB/08 Equivalent listing 43 references to be considered by the Examiner. Also enclosed are 19 foreign patent references and/or non-patent literature documents as listed on the Supplemental Information Disclosure Statement. Some of the non-patent literature documents are books. Because of the 25 MB size limit for uploaded documents on the Patent Office EFS-Web system, some books have been divided into portions for electronic upload. Each uploaded portion is listed as a separate non-patent literature document.

Pursuant to 37 C.F.R § 1.97(g) and (h), Applicants make no representation that the information is considered to be material to patentability. Additionally, inclusion on this list is not an admission that any of the cited documents are prior art in this application. Further, Applicants make no representation regarding the completeness of this list, nor represent that better art does not exist.

This Supplemental Information Disclosure Statement is being filed before the mailing date of a final action and before the mailing of a Notice of Allowance. This Statement is accompanied by the fees set forth in 37 C.F.R. § 1.17(p). The Commissioner is hereby authorized to charge any additional fees which may be required or to credit any overpayment to Account No. 11-1410.

Respectfully submitted,
